To Sandpiper Owners,

We are pleased to advise that the previously announced improvements to the 7th floor recreation room have been completed. These improvements include new paint throughout, new restroom vanities/mirrors and related restroom fixtures, new baseboards throughout, new ceiling lights and electrical fixtures, and the tile floor cleaned throughout. The kitchen area furnishings and supplies were also cleaned up.

Many thanks to the committee that the Board asked to plan and oversee these improvements. That committee included Owners Mary Johnson, Rhonda Pearlman, Eugenia Sefcik and Pam Shaw, along with our rental manager, Diane Moreno. We appreciate the time and efforts of that committee. Please enjoy this enhancement to the Sandpiper property.
