

October 23, 2018

To Sandpiper Owners,

This is a reminder about the two proxies you recently received in the mail from us regarding the November 3 annual meeting of Owners. If you will be unable to attend the meeting, and have not done so, please immediately complete and sign both proxies, and mail them back to the office in the envelope that was provided with the mailing. Our timely receipt of these proxies will assure the quorum of attendance required to conduct the meeting (we need 43 Owners there in person or by proxy), and will assure the vote needed on the issue of waiving the annual audit of 2018 financial statements (saving the Association approximate \$5,000 if no audit is necessary). Thank you.

Sandpiper Board of Directors
