Dear Sandpiper Owners:

We are pleased to advise that we have hired a new property manager, Diane Fitzgerald. Diane is an experienced licensed community association manager, and was most recently the property manager for several years at [Oceans West 1 Condo](#) in Daytona Beach Shores. Diane lives in New Smyrna Beach.

Diane will officially join us this Monday, May 20. On Monday and Tuesday, Diane will initially be meeting with the staff and otherwise going through an initial orientation process with us. Diane looks forward to getting to know all our Owners. As soon as Diane is set up with her Sandpiper email address and related contact information, we will advise.

We are fortunate that Diane will be starting with us right at the time of our need for a new property manager, so the timing could not have worked out better.

We look forward to Diane joining us, and for all of you to meet her. Please welcome her to our Sandpiper management team and family.
